M Baum, Y Ziv & A Colletta
Genetics and breast cancer
M Steel, A Thompson & J Clayton
Professor A P M Forrest chaired the committee which included Dr H J Stewart, Professor J Chamberlain, Professor R Blamey and Professor C A F Joslin that planned this number of the British Medical Bulletin. We are grateful to them for their help and particularly to Professor Forrest, Dr Stewart and Dr Anderson who acted as Scientific Editors for the number.

*British Medical Bulletin* is published by Churchill Livingstone for The British Council, 10 Spring Gardens, London SW1A 2BN
